20455 Herriman Avenue
Saratoga, CA 95070
khsaratoga@menlo.church
Facility # 434415220

Dear Saratoga Kirk House Preschool Parent,

As part of your child's curriculum at our preschool, your child's teacher may include walks around the church grounds and time for the children to explore in "The Garden" and "The Grove". The Garden and the Grove are located across the parking lot from the preschool classrooms. Class excursions to the garden and redwood grove involve the children walking across the church parking lot as a group, under the supervision of the teacher and/or assistant. The frequency, days, and times the teacher utilizes this resource is at the discretion of the classroom teacher. To support your child's outdoor learning opportunities, please sign this form below, indicating you give permission for your child to walk with their classroom teacher over to the Garden and the Grove and participate on any given day they attend school at SKP.
